

Customer Proprietary Network Information

NOTICE REGARDING YOUR RIGHTS TO PRIVACY OF INFORMATION

To South Dakota Internet Customers:

The Federal Communications Commission (FCC) revised certain rules pertaining to the information that we have concerning the services we bill to you, known as Customer Proprietary Network Information (CPNI). This includes such things as the type and quantity of the services subscribed to, the equipment and facilities used, and the number, dates, times and durations of the call you place.

This letter is to inform you of our policies in this regard, and your rights to protect the information about the telecommunications services you purchase.

South Dakota Internet has adopted a policy, as allowed by the FCC, where we consider that all of our customers have consented to the use of their CPNI by us, our affiliated companies and joint venture partners providing communications related services. This allows us to give you more personalized service and offer to you the products and services that may be of most use to you or provide cost savings.

You have the right under federal law to restrict the use of CPNI data, and we have a responsibility to protect your data. **In order to restrict the use of your CPNI data, you must contact us in writing at the following address within 30 days of receiving this notification.** Your restriction of this CPNI data will not affect the service or services to which you subscribe. This restriction of use of your CPNI data will remain valid until you contact us in writing. In two years, we will provide another CPNI notice.

Please disregard this notice if you have previously restricted the use of your CPNI information.

South Dakota Internet • 4002 W 8th St • Yankton, SD 57078
If you have questions, please call 605-689-2525.

I **DO NOT** consent to the use of my proprietary information (CPNI) by the South Dakota Internet companies, our affiliated companies, and joint venture partners.
